

Clever Clocks

WE TAKE A LOOK AT SOME quirky and stylish wall clocks and innovative alarm clocks that are not only practical time-telling devices but attractive design pieces and entertaining gadgets.

1. Newgate Pluto Starburst Clock from John Lewis £63

Striking 1940's inspired clock with light pine wood rays and an aluminum effect metal dial.

2. Roger Lascelles Pastis Kitchen Clock from John Lewis £34.95

Attractive 1930's inspired bistro-style tin clock. The bold red square and white face make this a real statement clock for any kitchen.

3. Clocky from www.firebox.co.uk

A mischievous and entertaining alarm clock.

Shropshire review May/June 09

£1 The magazine for Bridgnorth & district

- 6. Voco Alarm Clock from www.voco.uk.com £39.95**
Classic looking, talking alarm clock. The Voco Alarm politely wakes the sleeper from slumber with birdsong, a discrete cough and a "Good Morning Madam..." The Voco has 150 amusing Jeeves-style wake up messages, voiced by Stephen Fry.
- 7. Word Wall Clock from Next £20**
Contemporary white wall clock with attractive coloured hands.
- 8. Solar Clock from www.suck.uk.com £25**
This practical and eco-friendly clock comes with changeable long and short hands so it can be displayed portrait or landscape on a shelf or wall. The clock charges in daylight, using energy from the sun to move the second, hour and minute hands.
- 9. Karlsson Design Your Own Multi-Colour Clock from Argos £34.29**
Design your own unique contemporary clock with this creative DIY clock kit. The self assemble kit comes with 13 interlocking multi-coloured cubes and black plastic hands.
